What is a Bursar Hold?

After the start of a term, students who have an unpaid balance may have a hold placed on their records at the sole discretion of Walden. A Bursar Hold prevents a student from registering for any future term until the outstanding balance is paid; the hold does not remove the student from current classes nor does it prevent access to the myWalden portal or classroom.

If a student with a Bursar Hold has withdrawn, and then seeks readmission to the university, the hold must be satisfied prior to readmission. Once the outstanding balance is paid, the hold can be removed by contacting the Bursar’s office (bursar@waldenu.edu).

Methods of payment include all approved payment arrangements, payment plans, guaranteed financial aid, and third-party sponsorship. For information about available payment options, please contact Financial Accounts Management (collections@waldenu.edu).
