Statistical Tests for Doctoral Research

Zin Htway, PhD, MBA, CT (ASCP, IAC)
Patrick Dunn, PhD
Statistical Tests for Doctoral Research

Step 1 • Research Question(s)

Step 2 • Operationalize Variables

Step 3 • Determination of Test Statistics to be used

Step 4 • Sample size calculation using G*Power software

Step 5 • Collect data and analyze using SPSS or another statistical software package

Step 6 • Conduct a posterior achieved power analysis
Statistical Tests for Doctoral Research
