Florence Nightingale
A Quick Look Back...

• W. Edwards Deming fosters the growth of Quality Management in the 1950s

• NASA misses an opportunity to show the relationship between temperature and rubber O-Ring damage resulting in the launch and destruction of the Challenger in 1986
Statistics Across Multiple Fields

- Business
- Health Sciences
- Education
- Government/Nonprofit
- Other Fields
Engage with Us

How have you used statistics in your workplace?
Statistics is a Tool for....
Sharon Roberts: “Using Statistics to Tell a Story”

Sharon Roberts used her statistical knowledge to:

• Improve ambulatory care at University Health Network
• Gain a deeper understanding of patient care through survey data
Steven Mairs: “Stats for Global Impact”

Steven Mairs used statistical knowledge to:

• Evaluate property management systems worldwide
• Help donors make informed international investment decisions
Zin Htway:  
“It’s All About Stats!”

Dr. Zin Htway used statistical knowledge to:

• Research chemotherapy options for cancer patients
• Make projections for healthcare system staffing needs
• Meet safety accreditation standards
• Educate university students on how to interpret published data
