Savvy Tip for Success

April’s Student Tip:

“Use what you have learned by interviewing a professor, journalist, or local expert in your field of study to learn about the pitfalls, rewards, and challenges of research.”

-Cassandra M., Walden Student

Share your tip and it could be featured in an upcoming issue of the ASC’s Savvy Student Newsletter.

Editor’s Corner

If you haven’t visited our Savvy Student Blog, I suggest you look over the various posts written by our staff and faculty. The Savvy Student Blog features articles about life as doctoral students, student life during the holidays, attending your first residency, reading tips, MS Word tips, and much more.

Our Savvy Student Blog is a great way to engage with topics across your Academic Skills Center!

Thank you for your continued support.

Stay Savvy.
