Savvy Tip for Success

August’s Student Tip:

“…interview a professor, journalist, or local expert in your field of study to learn about the pitfalls, rewards, and challenges of research.”

-C. McClain, Walden Student

Share your tip and it could be featured in an upcoming issue of the ASC’s Savvy Student Newsletter.

Editor’s Corner

August marks the successful release of our four self-paced success strategy modules. We are proud to offer these modules to complement our success strategies resources.

Each module takes 20-30 minutes to complete and offers success strategies for time management, stress management, study skills, and improving your class experience.

You can access each module via the box on the left.

Also, our release of these modules corresponds with the upcoming redesign of our website, starting with our Success Strategies page. Keep your eye on our Success Strategies page for more information.
